GMTours was honored to be the host for Madam Hazel McCallion, the former Mayor of Mississauga City in Canada, during her visit to Egypt.

The trip was very well planned, enjoyable and relaxing. A lot of effort was made to look after our comfort and to ensure that there was a lot of variety and fun. The places we visited really gave us a great sense of Egypt and its people.

This trip covered Cairo, Alexandria, Sharm El Sheikh, Abu Simbel, a 5 day Nile cruise with tours at every stop such as Luxor and Aswan. We also visited monasteries, churches, shopping centres and much more.

The tour guide who accompanied us to many sites in Cairo such as the Pyramids of Giza and Khan El Kalili was most knowledgeable and professional and really helped to make our trip a great success.

Once again, thank you to GM Tours for the many wonderful services provided to us. Egypt is a beautiful country with many great things to see and do and would highly recommend it as a most desirable tourist destination.

Hazel McCallion
Mayor

Dahabiya Cruise

WHAT IS DAHABIYA?

The Dahabiya was built approximately in 1835. It was used by Egypt's former royal families and later on by celebrities of the 1950's era for pleasure trips. As they were painted in gold the Dongola and similar boats were called 'Dahabiya' which means 'Golden Boat'.

Sailing on a Dahabiya ensures exploring the Nile in a traditional style while being able to enjoy visits to some unique places and monuments that cannot be reached by large cruise ships. Other memorable experiences are the BBQ on isolated islands or joining the 'Chef' for green-grocery shopping in rural markets and villages.

Along the way, we moor on uninhabited Nile islands, where the virgin landscapes have hardly changed through the millennia. Wandering through the gardens and Nile islands is an idyllic pastime, and the perfect complement to your visits to Egypt's matchless monuments.

The Dahabiyas are beautifully crafted wooden ships, outfitted in colonial style with oriental and Egyptian touches. The interiors boast period furnishing, and each cabin has its own distinct style and interior
